

A network  
you can trust.

Meet HearUSA, an experienced team of hearing care professionals. For over 28 years, HearUSA has been helping millions of people across the country hear better. Through the use of qualified, licensed providers, you will receive a comprehensive program that includes hearing assessment, evaluation for hearing aids, and a full range of quality products and services. HearUSA is partnered with hundreds of health plans, employer groups and other benefit sponsors to bring you better hearing. We know how important it is to hear well and stay connected with our world of sound.

Discover how today's  
technology can provide  
you with better  
hearing solutions.

Find out what you may be missing:

*The spoken words of a loved one.*

*The enjoyment of your favorite  
TV show, movie or music.*

*The pleasing sounds of nature.*

*The ring of your telephone or doorbell.*

## Helping People Hear Better

HearUSA is a network that provides hearing care delivered by qualified providers committed to delivering the highest quality services at discounted prices.

HearUSA providers offer a basic annual audiologic assessment, including air conduction testing, bone conduction testing and word recognition measures, at a substantial discount. Members receive a full explanation of the findings of these hearing tests.

Additionally, your HearUSA provider will assist you in recognizing factors which may damage your hearing and will provide helpful solutions.

**For additional information and to receive a member handbook, call 1-800-442-8231.**

## How do you obtain Hearing Care Discounts?

Automotive Industries Trust Funds participants and their dependants are eligible for hearing care discounts through HearUSA.

1. Call **800-442-8231** and HearUSA will schedule an appointment. Identify yourself as a Automotive Industries Trust Fund member.
2. HearUSA calls the payer to verify eligibility.
3. HearUSA sends you an appointment confirmation.
4. Make your discounted payment directly to HearUSA.
5. During the course of a hearing test, the provider may recommend that you consult a physician for a condition requiring medical attention. This is not a covered service under the Hearing Care Fund. If this situation occurs, you need to file a claim under your medical plan option. If applicable, be sure the physician you choose participates in your medical plan network.

For Eligible Dependant Children the Fund pays benefit amounts directly to HearUSA. HearUSA reviews all in-network claims to ensure that costs do not exceed allowable charges. Allowable charges vary according to the hearing aid technology recommended.

## Member Discounts

- **Free comprehensive hearing evaluation (Retail value: \$159)**
- **Annual cleaning and maintenance of hearing aids at no charge for one year**
- **3-year warranty including one-time loss and damage (deductible vary depending on brand and model)**
- **1-year supply of hearing aid batteries with purchase**
- **Save up to 50% off the cost of brand-name hearing aids**
- **10% discount from HearingShop.com using code **EARUSA** at checkout**

If qualified, dependents receive a \$400 benefit towards the total purchase of hearing aids at the discounted rate. Call for details. The benefit information provided is a brief summary, not a complete description of benefits. For more information, please contact The Fund at **1-800-635-3105**.
